32	Please limit the use of jet skis to certain hours...eg 10 am - 4 pm; please monitor outside boats coming in to the boat landings - make sure they pay the fee and RAISE the fee. 69	Property owners should be informed of boating rules to make things safer and more enjoyable on the lake. (going counter clockwise when it's busy, ect) There should be a mailing of rules that explains the rules of boating. There are too many instances where pontoon boats get in the way of ski/tubing which seems intentional. Also, fishing boats that sometimes purposely block and anchor in a popular ski route.	6/15/2017 4:53 PM
