Whole Lake Management Plan

- **Phase 1-Lake Studies**
 - **Monitoring lake water**
 - **Shoreline habitat assessment**
- **Phase 2-Stream monitoring**
- **Phase 3-Assembly of the plan**

Watershed Activities

Date: Tuesday, July 30th, 2019

Time: 9:30am – 3pm

**Meeting Location: Summit Park 1104 WI-58 Trunk,
Mauston, WI 53948**

Come join the Producers of the Lake Redstone Watershed and the Lake Redstone Protection District for our summer field day. We will be visiting the Discovery Farms edge-of-field sites on Brian Daug's farm to show the use of cover crops and no-till practices. After lunch we will be visiting Lake Redstone to discuss sedimentation issues on the lake and view the dredging operation.

Agenda:

- 9:30 am- Registration
- 10:00 am- Leave for Daug's Farm
- 10:15 am- Edge-of-Field/Cover Crops
- 12:00 pm- Lunch at Summit Park
- 1:00 pm- Leave for Lake Redstone
- 1:30 pm- Dredging and Lake tour

Please register with Sarah Fleck, Juneau County Land and Water Department at 608-847-7221 ext. 3 or sfleck@co.juneau.wi.us by July 24th to reserve your spot for the meal.
