

LAKE REDSTONE PROTECTION DISTRICT
Special Board Meeting, Tuesday, October 27, 2020 @ 10:00 am
Virtual meeting that will be held via Zoom

Any members of the public who wish to join the meeting can contact the board chair, Mike Mittelstadt (815-370-3268 or mbmittelstadt@gmail.com) for instructions on how to join the meeting via phone or internet.

Discuss and take possible action on the following items.

AGENDA

- 1. Call meeting to order, verify compliance with the Open Meeting Law**
- 2. Introductions**
- 3. Approval of Agenda**
- 4. Discussion with representatives from WDNR, Juneau Co., and Sauk Co. regarding the following issues/questions (but not limited to them):**
 - A. Brief review of activities since the last meeting (15 minutes)-Mike Mittelstadt**
 - B. Whole Lake Management Plan (~ 60 minutes)**

The Lake Redstone Protection District has WDNR grants to support the preparation of a whole lake management plan via the development of a 9-Key Element plan for Lake Redstone and its watershed.

 1. Gathering data on the current state of affairs-Ken Keegstra
 - a. Aquatic plant monitoring and control
 - b. Monitoring the quality of lake water-unchanged over the past few years
 - c. Monitoring the inlet streams-most sediment and nutrients enters during storms
 - d. Shoreline habitat assessment-what is it and what was learned from it?
 2. Plan preparation-Data analysis and preparation of management objectives-Dave Blumer
 3. Likely activities described in the plan
 - a. Update the 2015 Aquatic Plant Management Plan
 - b. Improving the shoreline on high priority properties
 - c. Monitoring the inlet streams during storm events-Keegan Johnson
 - d. Other activities that should be in the plan?
 - C. Controlling sediment entry into Lake Redstone (30 minutes)-Pat Sullivan**
 1. Sediment from the watershed that enters the lake via streams
 - a. Update from Dustin Ladd on the producer-led cooperative within the watershed
 - b. Update from Serge Koenig on activities within Sauk County
 2. Local runoff that enters at gullies around the lake during rain events
 - a. There are several locations where water and sediment enter the lake during rain events. What strategies exist for dealing with such locations? How can the LRPD partner with local property owners, the Town of La Valle, and Sauk County to address these locations?
- 5. Next LRPD board meeting: November 10, 2020, 6 pm at La Valle Town Hall**
- 6. Adjourn**
